This provider directory includes the names of participating BadgerCare Plus providers. Every effort was made to ensure the directory's accuracy at the time of printing. The availability of providers is subject to change. Also, some of the providers may occasionally close their practices to new patients. Call Customer Service for current participating provider information or to verify whether or not providers are accepting new patients. You may also visit our website at www.glhealthplan.org for a current listing of participating providers.

Provider Network

It is important to know that services are provided through the Gundersen Lutheran Health Plan's network delivery system, but the continued participation of any one doctor, hospital or other provider cannot be guaranteed. You must present your ForwardHealth identification care at each appointment to ensure that the provider is in the Gundersen Lutheran Health Plan network.

Nurse Advisor Program

Gundersen Lutheran Health Plan provides advice from a registered nurse, 24 hours a day, 365 days a year. For nurse advice, call (608) 775-4454 or (800) 858-1050.

The fact that a provider, clinic or hospital is listed in this directory does not automatically mean that the services are covered under BadgerCare Plus. Please refer to your member handbook or contact our Customer Services Department to verify covered services.
